

St Erth Primary School: PRIMARY PE & SPORTS PREMIUM STATEMENT 2022/23

Key Indicators - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Accountability & Impact - Ofsted inspectors will assess and report on how effectively this new funding is being used when making the judgement on the quality of the school's leadership and management. Schools are required to keep parents informed and publish plans for deployment of premium funding on their website and must include:

- the amount of premium received
- a full breakdown of how it has been spent (or will be spent)
- what impact the school has seen on pupils' PE and sport **participation and attainment**
- how the improvements will be **sustainable** in the future
- the percentage of pupils within their year 6 cohort for academic year 2022 to 2023 that can do each of the following:
 - swim competently, confidently, and proficiently over a distance of at least 25 meters
 - use a range of strokes effectively (for example front crawl, backstroke and breaststroke)
 - perform safe self-rescue in different water-based situations

Please complete the table below:

<p align="center">Curriculum Delivery <i>engage young people in a high quality, broad and balanced curriculum</i></p>	<p>Real PE / Jasmin – Continue to use “Real PE” Scheme to support the delivery of PE in school and the professional development of staff through online & face to face CPD</p> <p>Investment in scheme, training and staff release time to develop the school’s games curriculum. Ensuring sequencing for each unit is in place.</p>	<p>£495</p> <p>£1500</p>	<p>Participation: Real PE has ensured that inclusion and a consistent approach with a broad curriculum was in place throughout school in the 2022/23 academic year. Games element of the curriculum has been developed in 22/23 leading to increased participation in class and through competitions.</p> <p>Attainment: Increase in physical literacy skills, measured on TPAT monitoring and evaluation wheel, linking directly to the real P.E curriculum. Clear development of skills evidenced in this area. The development of the games curriculum has provided consistent opportunity for the application of these skills in games contexts and led to an increase in confidence and attainment.</p> <p>Whole School Improvement: Real PE and Jasmine is a holistically approach to Physical Literacy, Social and Emotional Wellbeing. The scheme is now embedded and about to enter its 3rd year. Overall levels of physical literacy and activity are increased. Development of games curriculum has seen increased confidence and participation in games sessions and competitions.</p>	<p>Sustainability: Scheme of work developed to ensure high quality delivery by staff. Progression of pupils as a result, helps to ensure their enjoyment for sport and physical activity; so they are aware of the importance of an active lifestyle and feel confident to take part in activity.</p> <p>Next Steps: Continued CPD through Real PE and health, wellbeing and sport programme, using the assessment wheel and real PE to narrow the attainment gap of physical education. Ensure continued review of sports covered in the P.E curriculum, ensuring the offer is relevant to pupils and provides pathways locally. Embedding the school’s planning for the games element of the curriculum.</p>
