We are really short of kit at the moment - **particularly the red kit** - if you have any at home please could you bring it into school as soon as possible. All kit from Year 5 and 6 Boys and the Girls Teams should now be returned. Thanks so much for your help.

### Message from Hatchbox

We had a lovely morning at the school, photographs are uploaded and online for parents to view and order now. Save on postage by ordering before the initial order window for free school delivery closes on Sunday 11th May 2025 - this is also when the discount 10% off voucher expires.

With year 6 only class group and individual photos and the reception class photo, we did a video clip, when parents order these photos, they will also receive a bonus free QR code, that will activate moving memories - to bring their printed photographs to life, when they receive them. The QR code will be sent to them when they order and that will open a free App (available in all App stores) and from then on, the images will literally come to life with a video clip - parents will need a photo and the QR code. All of this is explained for parents in our webshop.

Remember any queries or missing order forms email [photos@hatchboxphoto.co.uk](mailto:photos@hatchboxphoto.co.uk) or use the contact form via the website -

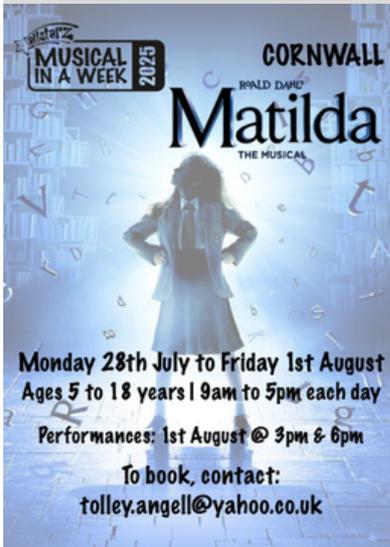

We are aiming to have the main orders delivered to the school the week after the deadline closes.

# Maintenance Work

**Toilets** - we now have a portable toilet block and are waiting for this to be plumbed in.

**Roof** - The Scaffolding is now up and work on the roof will begin next week. Please bear with us while this work is completed.
