### Assemblies

This week we were looking at Friendship. We talked about friendship bracelets and how they have been around for over 2000 years!!! We looked at Taylor Swift's current tour where fans are meeting up before the concerts to make and share friendship bracelets, and as one journalist put it, turning an overcrowded space of thousands of strangers into the best of friends. This idea of friendship and kindness is important to all of us in all aspects of our lives.

FOSS would like to thank everyone that came to the Summer Fayre and helped to make it such a success. The Grand Total raised was **£1,180.79!!!!**

### The Dandelion

Following on from our news of Benji's prize winning poem in last week's newsletter, we are thrilled to share these photos of Benji at the award's presentation that he attended in London on Monday. He was presented with his certificate and read his poem beautifully on stage. There are even talks of turning his poem into an illustrated children's book.

Congratulations again to Benji!

### Helston Community College – RNLI Challenge 2024

Helston Community College, which is also part of Truro and Penwith Academy Trust, are holding their big fundraising challenge for 2024 event to celebrate the 200<sup>th</sup> anniversary of the RNLI and to raise funds for this vitally important charity.

Over the weekend of 13<sup>th</sup> and 14<sup>th</sup> July, some Helston staff will be completing a 90km adventure from Godrevy to Porthleven, visiting every RNLI Coastguard hut along the way. A small team will be running the coastal path over the two days, racing against a relay team who will be walking, cycling and swimming their way around. This is a massive challenge and will take lots of organisation and training. They hope to raise £13,000 to pay for an in-shore rescue boat.

In addition, they are also organising a student fun run (or walk) on the Sunday afternoon (14<sup>th</sup> July). The event will start in Helston and finish in Porthleven. The route will take students through Penrose towards Loe Bar, then along a short section of the coastal path.
