

Date: 9th February 2024

### OUTSTANDING ACHIEVEMENT

GODREVVY: Orla B  
FISTRAL: Imogen  
MOUSEHOLE: Mattia  
TREEN: Ruan B

### WEEKLY ATTENDANCE

GODREVVY: 95.71%  
FISTRAL: 92.58%  
MOUSEHOLE: 95%  
TREEN: 84.89%

### HAPPY BIRTHDAY!

Birthday wishes this week go to:

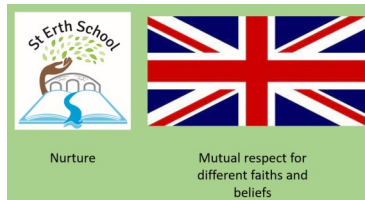

Ella-Rose, Ted and Mrs Burton

### Assemblies

This week has seen the beginning of LGBT History Month, Children's Mental Health week and Safer Internet Day. In our assemblies we concentrated on online safety. Looking at how we make the internet a safe space for everyone.

Open the Book were in this week looking at the story of the feeding of the 5000.

### Multiskills Club -

We notified you last week that this club will be resuming after half term and will be run by Miss Stephens. It will take place on Tuesdays and be open to pupils in Years 1 and 2. So far we have only had 3 pupils sign up. If you would like your child to join please email us: [sterth@tpacademytrust.org](mailto:sterth@tpacademytrust.org)

### Matilda the Musical Jr

Thank you to everyone who provided cakes for our sale yesterday and to those that came along and bought cakes or sent money in with their child to purchase a cake.

We raised an amazing £162.00 on Thursday and are selling the remaining cakes after school today, these funds will go towards the cost of the musical. Watch out for details of future fundraising events in the coming weeks.

### Zig Zag Update

The yellow zig zag lines outside the school have now been extended as far as the hump in the road. Please ensure that you don't park on these lines—they are there for the safety of our children and it is illegal.

### FISTRAL BRASS CONCERT

Parents of pupils in Fistral are invited to a concert on 27 March. It will take place in the cabin at 2.45pm. As you are aware they pupils have been learning various brass instruments all term and the concert will take place after their final lesson. Further details to follow nearer the time.

### SCHOOL KITCHEN

We are delighted to tell you that our school kitchen has, once again, been rated 5 star in a recent, unexpected visit from Cornwall Council on behalf of the Food Standards Agency.

### Treen Class Reading roll of honour

4 reads at home in a week!! CONGRATULATIONS to...

Merry

Aaris

Ruan B

### Parliament Teacher Ambassador Programme - a report from Mrs Burton

I was lucky to be one of 70 teachers selected from 500 applicants to attend the 3-day Parliament Teacher Ambassador Programme and can now proudly say I am a Parliament Teacher Ambassador. This means that I have received in-depth training about how our Parliament works. I learnt a lot about the history of our government and how parliament operates today. I had behind the scenes tours of both the House of Commons, House of Lords and the Supreme Court. I was also lucky enough to meet and speak to some key people who work in Westminster, notably Sarah Davies who manages all of the operations in the Chambers, The Right Honourable Sir Lindsey Hoyle who is the speaker in the House of Commons, as well as the speaker of the Lords, several MPs and a House of Commons Security Door Key Keeper. Hearing from these people gave me an insight into the many different roles around Parliament and different ways that we can inspire our children to get involved. I also learnt all about how to use our school council as a learning tool for understanding the British Parliament and democracy. My next step is to work towards achieving Gold Ambassador Status for our school by sharing the knowledge that I have learnt with both the children and the adults.

### REQUESTS:

#### Craft club

Would love any donations of the following items that you may have lying around: Bubble wrap, boxes, plastic carrier bags

Thanks in advance.

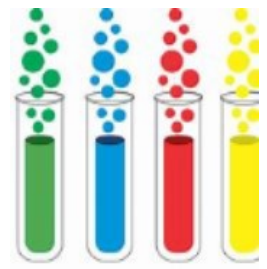

#### Mousehole

Would love to have any glossy magazines, that you may be sending to the recycling, for a collage project they will be doing next term.

Thanks for your help and support.

## British Science Week—8th—15th March

It is British Science Week coming up—8th—15th March—and we are hoping to help the children see themselves as scientists and understand the science related occupations open to them in the future. We will be sending out more details about our science competition in the coming weeks. We would also like to invite any parents who would be able to come in to school to discuss how they use science in their daily jobs. This might be anything from: a gardener talking about how plants grow, a musician demonstrating how different the pitch of a sound can be changed on an instrument to a pharmacist or an optician. If you think you may be able to help in any way please contact Mrs Walsh.

# Have a great Half Term

## Dates for your Diary
