Results 13.6.24

Thank you to everybody who responded to the school survey. We received 53 forms back by the deadline. The overall results are summarised below. We are very grateful for your feedback and thrilled that we have a sample twice as large as previous years by doing the online form. Thank you for your positive comments and feedback, it is really important for us to hear. Where an issue has been raised these will be addressed with the parent if they're name was added to the form.
