## St Erth School

### CO-OPTED GOVERNOR VACANCY

St Erth Primary School has a vacancy for a co-opted governor. St Erth Primary is an academy and part of the Truro and Penwith Academy Trust (TPAT). Local Governing Board (LGB) meetings are held 5 times per annum. No special qualifications are needed, the most important thing is to be interested in the role and be prepared to play an active part in the governing board's work. However, we would particularly welcome interest from those with Health and Safety experience. Successful candidates would be asked to visit school at least once per term. Training is available for all governors and this governing board has an expectation that those new to being a governor attend free induction training. If you are interested we would be delighted to hear from you, please contact the clerk on:
