School Photos

Don't forget that our school photographer will be in school on the day we return to school after half term—**Tuesday, 1 November**.

Family groups will be taken first from 8.30 am, to allow you to take any older or younger siblings to school or nursery.

School Meals - Menu coming home today.

SWIMMING FOR KS2

There are still quite a few swimming permission slips outstanding. Please make sure that these are back in school when we return after half term.

Thank you to all those who took part in the fundraising today for Breast Cancer Now, whether wearing pink for a donation or simply donating.

We raised just over £140 for the charity.

'Caring, Sharing, Preparing for life.'

Many thanks to one of Teaching Assistants, Heidi, for producing a wonderful mural for us in our hall which illustrates our School vision and values.

At St Erth School we believe that all children are unique individuals with a right to a safe and happy learning experience. We are driven by our belief that children are most likely to be happy and hence successful if they are given care, support, and challenge in equal measure. Our team is united and dedicated in pursuing the best outcomes for all children at St Erth School. By 'best outcomes' we mean children who leave us as confident, self-aware and aspirational learners, ready for the next stage in their education.

We aim to provide children with a well-rounded and ambitious curriculum. High academic standards and expectations run alongside creativity, inspiration and imagination. Through the school's metacognitive learning approach of, 'Ready, Reflect, Review,' children challenge themselves; demonstrate excellence; care for themselves and their community and have fun.

To help us achieve this our pupils have been involved in helping us to develop our core values which guide our approach to learning and life. Our school badge was created by our pupils with the brief that it had to represent our community, its history, its future and our values and we are very proud of it. It represents the following values, which guide us in our relationships and culture throughout the school:

Kindness - To each other, to ourselves, to nature and our communities.

Knowledge - Knowledge we develop through our curriculum subjects and knowledge of ourselves

Reading - Always reading - we love it!

Respect - For each other, to ourselves, to nature and our communities.

Resilience - Overcoming setbacks and embracing failure, staying steady and focused.

Perseverance - Staying focused when things are tricky, knowing it will lead to reward.

Nurture and relationship - Providing each other and ourselves with the care, truthfulness and thoughtfulness we need to be successful.

Aspiration - Developing the confidence to set aspirational goals that we have the skills and knowledge to reach.

Early Help Hub support

Attached along with the newsletter this week is the Autumn term's Parenting programmes on offer in the West of Cornwall (Penwith & Kerrier) as well as their new autumn newsletter. Also, details of their new county-wide Positive Parenting Bitesize sessions (formally called Behaviours that Challenge support group) which runs monthly online through Microsoft Teams. These sessions offer a range of guest speakers and parents do not need to book, as they can drop in to any sessions that might interest them by using the link within the poster.
