### Gilbert and Goode Dream Home Competition

The team at Gilbert & Goode are excited to announce a fun and creative drawing competition just for you! We've provided a house framework with empty rooms (attached to the newsletter), and now it's your turn to fill them with your wildest dreams. Imagine having a Space Exploration Room with stars and a rocket ship, an Underwater Paradise with fish tanks and coral reefs, or a Jungle Safari with trees and animal friends. How about an Art Studio for your masterpieces, a Music Room for dance parties, or even a Candy Land with giant lollipops and a chocolate fountain? This is your chance to let your design skills go mad and create the home of your dreams. Once you've finished your masterpiece, please include a little explanation of your home and all the key elements you've added. Tell us why you chose each room and what makes your dream home special.

If you don't have access to a printer we can print one for you in the office!

We can't wait to see your amazing creations! by Monday 16th December
