Assemblies

This week we had a whole school assembly introducing our new Pupil Parliament. Following Mrs Burton’s training in London, she has re-designed the school council and eco-committee to give pupil’s more voice and responsibility in school. The children introduced themselves to the school and they are on a display in the school hall for all to see.

Netball - Wow, what a thrilling netball finals tournament we had! Our morning at Mounts Bay for the finals consisted of a string of intense matches against St Ives, Mousehole, St Just, St Mary's and Heamoor.

Our players showcased their exceptional skills, scoring goals galore! Rory emerged as the top scorer with an impressive 11 goals, while Orla, Anais, and Jack also made their mark by each scoring a goal. Although we didn't secure a top 3 spot, our team displayed fantastic sportsmanship and determination. Congratulations to each and every member of the netball team this year. Your hard work and dedication have been truly admirable. Let's aim for nothing less than medals next year!

Girls football

The girls football team closed their league season with a fantastic win over Gulval on Tuesday. They played the best football they have produced this year running out 4-1 winners with goals from Orla x2 and Anais x2. It has been wonderful to see their enjoyment and progression over the weeks. A number of children are now finding places to continue playing outside school. Well done to all and thanks for the parents for supporting . We look forward to a tournament in the summer term and next year.

MATILDA FUNDRAISING

BREAK THE RULES

On the last day of term, Thursday, 28 March, we are holding another fundraising event to support our end of year production of Matilda the Musical.

For 50p per rule, the children can break SOME of our school rules - see the poster opposite for details of the rules which can be broken.

PROGRAMME DESIGN COMPETITION

Don't forget the competition to design the cover for the show programme. Entry forms are available in the school office and all entries need to be handed back in to the office by Friday, 19 April which gives them plenty of time over the Easter holidays to get really creative.

The competition is free to enter and not only will the winning entry get their artwork on the cover of the programme but there will also be prizes of art supplies for 1st, 2nd and 3rd places.

'Matilda the Musical Jr' local support.

The PTA are reaching out to local businesses to help us support this year's school production of 'Matilda the Musical Jr'. Thank you to all those businesses who have already pledged support. There's still plenty of time for local businesses to sponsor the production programme for £15. Your logo will be displayed in the programme, and you will be thanked for your support in the school newsletter. Our sponsorship deadline is 19th April 2024. If you would like to be involved and support the biggest school event of the year, please let us know by emailing the school office. We will pass your details on to the PTA and they will get in touch with you.

TOPSOIL REQUEST

We have a new raised bed in the vegetable garden at the front of the school. At the moment it is full of stones which are very tempting to young children waiting with their parents, so please keep them away from there. We do need some topsoil to fill it so we can start planting. If you can help please let us know.

CROSS COUNTRY EVENT

There is a further cross country event on 20 April. Although the school will not be able to take children to this, we hope that parents will register and take their children independently - they can still represent the school.

Further information, registration form and a map are attached with the newsletter.

Please keep an eye on the Coose Trannack facebook page for further details and announcements.

BRASS CONCERT -

Thanks to everyone who attended our concert last Tuesday. The children were thrilled to share with you their new skills. I think that we can all agree that they did an excellent job. A huge thanks to Mrs Burden for all her support—if your child is interested in continuing lessons please contact the office.

EASTER EGG RAFFLE

We will be holding our annual Easter Egg Raffle on the last day of term—Thursday, 28 March. We would appreciate more donations of eggs - thank you to everyone who has contributed so far. Tickets will be on sale during the next week and will be 20p each.

Hello everyone!

Since the Pupil Parliament got announced, the Eco Committee has been encouraging everyone to use less plastic and more reusable tins. The Eco Committee want to make St Erth School a plastic free school. Did you know it takes plastic 20 to 500 years to decompose? Please try to use less plastic - not just in school but EVERYWHERE!

Thanks! Reuben SSS

PS: We are still accepting chess set donations.
