### Assemblies

This week's assemblies started with a remembrance service on Monday where the children beautifully observed the 2 minute silence. We also talked about how we could welcome a new person to school and what nice things we could say to them. We discussed the differences and similarities that we all have with each other. We agreed that we should only make positive comments about someone's appearance. We should never say anything negative about things that people can't change, like where they are from or what they look like. We read a book called 'Have you filled your bucket today?' This made us think about how we can give each other positive thoughts about themselves.

### Football Fixtures

Next Tuesday's match will be against Alverton at Mounts Bay - as always parents are welcome to come and watch and we will be back at school for 5.20/5.30

## **Camborne Music Festival**

On Wednesday, choir went to the Camborne Music Festival to take part in the competition for a small school choir. Choir performed exceptionally and were praised for their singing ability, teamwork and dramatisation. We came second (eventhough I think they should have been first) and I am so proud of all of them for being so brave and such excellent members of our school choir. Thank you to all the families who came to support, it was lovely having friendly faces in the audience. Well done choir, you are incredible! Mrs Murgatroyd 😊
