WE ALSO HOPE THAT MRS BURTON AND MRS WILLIAMS
HAVE GREAT BIRTHDAYS THIS WEEKEND!!

Assemblies

This week we were treated to a visit from Paul McNamara who is in the Royal Navy. He discussed his role as an engineer on the Merlin Helicopters and also gave us an insight into other vocations that can be pursued in the Navy. We were able to look at some of the equipment Paul works with including an amazing self inflating life jacket which was definitely a highlight for many. Thanks so much to Paul for coming in.

Football Fixtures

Next Tuesday's girls match is against Bodriggy School and the boys team will be playing Ludgvan on Monday after school in a cup match. Both matches will be here at St Erth and parents are welcome to spectate.

Cross Country

A Huge well done to Mhyla and Maggie who took part in the primary cross country event in St Ives yesterday. In cold but sunny conditions they did an amazing job coming 2nd and 21st in their respective races- well done girls!!!

Awesome!

Match Report

The Girls Football Team finally played their first match this week against St Hilary. They lost the match 5 - 3 but played an excellent game. Goals were scored by Nancy (2) and Nina (1). They played their match with Spirit, battle and overall with enjoyment. Working together well as a team. We are looking forward to the next match against Bodriggy.

MISSING KIT

Your School Needs You!!!!

Help us find all our missing kit!!! Look under beds, in the backs of drawers, at the bottom of washing baskets!!!!

WELL DONE!

Netball Match Report

We are thrilled to share some fantastic news with you about our netball team's recent success. On Tuesday we played our second round of league matches at Mounts Bay Academy, with impressive scores of 5-1 against Newlyn and a fantastic 10-0 victory over Gulval! The team demonstrated remarkable teamwork, skill, and spirit throughout both matches. It was truly wonderful to see them working together on the court, supporting each other, and having such a great time while playing. Their hard work and dedication during practice have certainly paid off, and these matches were a testament to their progress. We can't wait for our next league matches on 4th March at 15.50 against Penpol.

AMAZING

DON'T FORGET

PARKING

A polite reminder that the school car park should not be used when dropping off or collecting children at the start and end of the school day.

You are welcome to use it to drop off early (ie for breakfast club), if you are collecting early or if you are here for a meeting - although space is limited.

At the end of the day it is only people with blue badges who are permitted to use the car park. This is to ensure the safety of the children.

Please also try to avoid parking on the grass on the way up to school as it is becoming very muddy.

Thank you for your help in keeping the children safe.

INSET DAY

The next INSET day will be Monday 24th February - directly following the half term holiday!!!!

Request for Forest school Equipment

Please see the attached letter with a list of items that you may have lying around at home that would be really useful for our outdoor learning. Thanks in advance for anything you may be able to donate to further enhance the children's learning experience.

Register here!

Girl's Rugby is currently one of the growth sports nationally, but Cornwall lags behind other regions.

We are holding this festival as a whole county event for Years 6 and 7. This is for any girl from Cornwall, whether they have played rugby before or not. We will have both a contact and non-contact option for participants to choose from. Arranged by Cornwall RFU and England Rugby, we have 2 of the current Red Roses and Exeter Chiefs coming to the club to help with the event. Most Rugby clubs from the county will be represented and there is no pressure to join any particular club, just to try the game and make a decision on whether it is for them or not.
