FISTRAL: 98.8%

MOUSEHOLE: 93.33%

TREEN: 90.65%

HAPPY BIRTHDAY!

Birthday wishes for
this week go to:

There are no birth-
days this week!!

Assemblies

With Monday being widely recognized as Blue Monday our assembly this week focused on mental well-being with Keleigh Burgess our Education Mental Health Practitioner coming in to deliver an assembly on managing our feelings. She talked about feelings that are fun and feelings that are hard. Whilst all are normal, when we are sad or down there are things we can do. Keleigh shared 5 actions the children could take: Get active, do more of things you enjoy, get outdoors, eat healthily and to talk to someone you know and trust. In celebration assembly we discussed how we have put that into practice ourselves.

Treen Reading Afternoon Monday 29th January 3:30—4:00

We are so proud of the progress our pupils in Treen have made with their phonics this year. We held a meeting in the Autumn term to introduce parents to our phonics scheme and offer advice on how to support at home. As Treen parents will be aware pupils are bringing books home in their bags to be read at home. Daily reading at home is an essential tool to securing children's progress in reading. Therefore we are asking Treen parents to join us for a reading afternoon, where Mrs Murgatroyd and Mr Coleman will go through the next phase of supporting your children at home with reading. They will offer advice and support and work with parents to make sure this crucial link between home and school develops successfully. Children will be supervised in the classroom by Mrs Buckingham and younger children are welcome. We hope to see all of our Treen parents there. If you are unable to make it for any reason, please let us know and we can arrange an alternative time to meet with you.

Dates for Treen parents evenings are on this weeks newsletter and sign up sheets will be available closer to the time. Annual reports for treen are sent out in the summer term, whereas all others years are sent before Easter

Online Safety Assembly

In case you haven't been able to access the online safety info from our training last week, here are the links again:

Internet matters <https://www.internetmatters.org/>

NSPCC online safety advice <https://www.nspcc.org.uk/keeping-children-safe/online-safety>

Common Sense Media <https://www.common Sense Media.org/>

Taming gaming <https://www.taminggaming.com/home>

All websites above offer excellent information about games, filters, parental controls and social media parents can use to support Online Safety at home.

Reading roll of honour.—Coming next week!!

Next week we will be restarting the reading roll of honour for Treen class only. Reading regularly at home is an essential part of children's reading education. It creates good habits and gives them more of the regular practice they need to become fluent readers quickly. To encourage regular reading the roll of honour will have the names of all the children in Treen who manage to read at home 4 or more times in a week. Reading records will be checked on Friday. We look forward to having lots of names on it!

Football Club

Our girl's football team played their first match on Tuesday showing great enthusiasm against an experienced Nancledra team. All the girls played a fantastic game although many are new to the sport. We are looking forward to our match next week against St Hilary. Thanks to all the players and to their supportive mums and dads.

Bikeability

Are there any more Bikeability forms from pupils in Years 5 and 6? Please return any final ones on Monday so that we can finalise our booking.

Hayle Academy

Please find attached, alongside the newsletter, details of the first of Hayle Academy's Super Saturday events for Years 4-6 which takes place on Saturday, 27 January.

REQUESTS:

Cooking Club

Could all members of Cooking Club who haven't already done so bring their £15 on Monday. This money allows us to buy ingredients for their fabulous creations!

Thanks so much.

Craft club

Would love any donations of the following items that you may have lying around:

Bubble wrap, boxes, plastic carrier bags

Thanks in advance.

Mousehole

In preparation for some work on the Crimean War, Florence Nightingale and her nurses. Miss Bloxam would love any old bandages that you may have.

Thanks for your help and support.

PHSE and RSE consultation

We have held the first of our drop-in consultation sessions about PSHE and RSE curriculums. The next one is taking place on Wednesday, 7 February between 2.30 and 4.30 pm.

Penzance Gymnastics Club have had their rent doubled recently putting their future in doubt. They have asked for the attached flyer to be circulated in an attempt to save this important resource. If you can help or know of someone who can please pass it on. Thanks.

Golf for Years 5 and 6

West Cornwall Golf Club are aiming to get more children playing golf. Their Golf Pro, Nick Brewaeys, is offering FREE lessons on Saturday mornings during the month of August 2024 to Y5 & Y6 boys & girls. The session will be from 10.15am to 11am every Saturday with all the equipment provided. (Clubs, balls etc...) During the sessions, the children will learn to putt, chip, long shots and also experience going onto the golf course. Golf has huge benefits for mental health, physical health and meet new friends.

There will be a maximum of 20 children per session so parents will need to contact him directly to book their slot. Nick has been working with several local primary schools for a number of years and has a full DBS check. You can contact him on: 07871916446.
