

'Originally from Surrey, I relocated to Cornwall 8 years ago for my husband's work. I have lived in the village for 5 years and have a child at the school. I have a background in education, originally embarking on my career as a primary school teaching assistant and later completing my PGCE to become a secondary school drama teacher. I was privileged to be a Drama teacher in both primary and secondary settings across the country for over 10 years. I now tutor students embarking on an acting career alongside working as an administrative assistant for a psychologist practice. Outside of work I enjoy going to the theatre and exploring Cornwall with my family. I have been an active member of the schools Friends of St Erth School (FOSS) and I am keen to continue to be involved and contribute to the life of the school.'
