Assemblies this week

This week KS1 studied more stories for Black History Month, hearing about Laurie Cunningham and Mary Seacole. They considered their stories against the school values and British values and identified themselves what they thought they represented. They demonstrated an impressive understanding. KS2 missed assembly this week due to the Dyslexia Friendly inspection.

Open the book visited this Wednesday and told the story of 'King Solomon.'

NASAL FLU IMMUNISATION PROGRAMME

We now have a date for the school nursing team to visit us and administer this vaccine. This will be on Friday, 3 November. Attached alongside the newsletter is a further letter from Kernow Health giving details about the vaccine and how to register your child to receive it. This needs to be done by midday on Wednesday, 1 November. If you require a paper copy of their letter please let us know.

SCHOOL PHOTOS

The school photographer will be here on Wednesday, 1 November from 8 am to take individual and family group photos. If you want to have a family group with children who are not at St Erth School please arrive early as he will do these ones first. We will ensure that all siblings groups within the school are taken, as well as the individual shots.

Dyslexia Friendly Schools

We are very proud to say that this week we were awarded the Inclusive Dyslexia Friendly Schools + award. This is a quality mark to show that we have a high level of inclusion and teaching for those with special educational needs and reflects the practice and culture that we have across the school for all our learners but particularly those that find aspects of learning more challenging. The inspectors were impressed with the learning taking place, the extra help and interventions provided and the relationships that you, we and the children all have. This Quality mark is a sign of great team work which includes you too!
