Bristol Trip June 2024

Godrevy Class had a fantastic trip to Bristol earlier this week. All the children were brilliantly behaved and perfect ambassadors for the school. Over the course of the 3 days they walked over 30 kilometres and visited the best that Bristol has to offer!!

Day 1 was an amazing visit to the suspension bridge where they were treated to some really interesting workshops and bravely walked across the bridge! The evening saw a fierce laser quest battle with Daniel and Kieron coming out on top!

Day 2 saw us boarding the ship that changed the world, SS Great Britain, we learned so much from some fascinating workshops about the ship and Brunel himself. This was followed by the fascinating Underfall Yard—The Heart of the Harbour, and from here we embarked on a very informative boat trip (our boat was even called Matilda). This evenings battle was bowling—everyone improved over the course of the evening with Rocco W getting 2 strikes in a row!!

Day 3—the final day—saw us visiting the Zoo project and taking part in a wonderful workshop all about wolves before heading home—exhausted but happy!!

Thanks to all of the children for taking part so enthusiastically—we are already looking forward to next years trip to Dartmoor.

SPORTS DAY

This takes place next Thursday morning, 13 June, before the Summer Fayre in the afternoon—weather permitting. Keep your fingers crossed for fine weather. We would be delighted to see as many parents, grandparents and friends as possible to cheer the children on.

Unfortunately, we can't offer car parking in our car park as we have limited space and those running the Fayre will need access.

Please arrive from 9.30 am for a 9.45am Start.

The sports should finish at about 12.15pm and you are welcome to bring a picnic lunch to have on the field or take a break and return again in time for the Fayre. Children will have lunch inside as usual. The fayre will start at 1pm and children can be collected by parents from their classrooms. If you are unable to attend the fayre—your child will be taken around by a member of staff at some point during the afternoon. If this is the case for your child please feel free to send them in with a small amount of money to spend at the fayre. We look forward to you all (and the sunshine) next week!!

** If the weather is not on our side our alternate date is next Thursday (20th)—we will endeavour to make any decisions as early as possible and keep you posted. **

COFFEE AFTERNOON

Parents of pupils that are on our SEND register are invited to a coffee afternoon on Monday, 17 June at 2 pm in the Cabin. It is often helpful to touch base with those that may be going through similar difficulties and to hear from others, so this will provide an opportunity for you to chat with Mrs Karen Golder, our SENDCo, about anything. There will be drinks and something to nibble. If you have any area you would like Karen to focus on please let us know.

Free D Day June 1944 Exhibition.

There will be a display in the Chapel of a war time kitchen with food rationing and a display of war time memorabilia. The Chapel will be open on the Saturday and Sunday after the the mid week anniversary of D Day. Come and see what life was like and see what food was on ration; what kitchen utensils were used. Even taste some war time cooking. Listen to war time news bulletins and what was popular music at the time on a vintage radio. See photos, memorabilia and articles of life at the time, but no unexploded bombs. Come and have tea in our war time café where food is still under Government rationing.

Open Saturday 8th and Sunday 9th June 2.00pm to 5.00pm; All free.

Summer Fayre

If you are able to help as a volunteer and man a stall at the summer fayre on Thursday, 13 June, please let us know, we would be really grateful. If you run a business we are on the hunt for raffle prizes, if you think you can help in any way, however small or big with a prize we would be really grateful. All the money raised goes to the school. Please email the FOSS address and let us know.

MORDROS: Write your own sea-themed poetry at Morrab Library

Mordros is Cornish for 'sound of the sea'. It's also a community poetry project facilitated by the Mor Poets which aims to foster the enjoyment and writing of poetry in people of all ages across Cornwall. On Saturday 8th and Saturday 15th June, the Mor Poets are coming to The Morrab Library for two sea-inspired poetry workshops. In these workshops, aimed at children aged 9 – 12, we will bring the ocean to life using prompts to create sea-themed poems. "Let's hear the sea, think it, feel it, touch it, and even smell it. Let's imagine ourselves in the sea or under it, and, perhaps skimming its surface like a seagull or a surfer. Let's use our own words to share joyful experiences and memories of the ocean through poetry."

A selection of poems from all of the workshops will be put together to create a unique Mordros poetry book, available to participants and the public later in the year. How to book: Book a free place via Eventbrite.
