HAPPY BIRTHDAY!

No school birthdays this week.

SCHOOL VALUES AND BRITISH VALUES

This week in assemblies we have discussed our school value of **Kindness** and the British Value of **Individual Liberty**. This month is LGBT History month and in assemblies we discussed the following questions: What ways are we all different? How we look? What we like? Who we spend time with? What we enjoy? How we dress? Who we care for? How we treat each other? The children decided that we are all different but must always treat each other with Kindness and Respect in that way we should all be the same. We read 'How to be a Lion' By Ed Vere in KS2 and 'Julian is a Mermaid' by Jessica Love in KS1. In

each book children explored the different ways in which people choose to express their individuality.

Individual Liberty

Godrevy visit to the Minack

Godrevy had a fabulous time at the Minack Theatre on Monday. The weather was remarkably good for this time of the year. The children had a tour around the outdoor theatre, including back stage. They also got to create and perform mini productions about the explorer Ernest Shackleton who they learnt about last half term.

Treen visit to the Seal Sanctuary

Treen class had a wonderful time at the Seal Sanctuary on Wednesday. They found out about penguins, sea lions and a variety of seals and even took part in a seal pup rescue. The children impressed with their facts about the different animals they have been learning in class.

Fistral visit to Geevor Tin Mine

Also on Wednesday, Fistral class visited Geevor Tin Mine where they learnt about life as a miner and the various jobs they would have undertaken. They had a chance to have a go at some of these jobs including panning. They also had a tour underground. Everyone behaved brilliantly and were a credit to the school.

Children are bringing home details of the next Messy Church session taking place this Sunday.

Strep A

Symptoms to look out for include:

a sore throat, headache, fever, nausea and vomiting. This is followed by a fine red rash which typically first appears on the chest and stomach, rapidly spreading to other parts of the body. On more darkly-pigmented skin, the scarlet rash may be harder to spot, but it should feel like 'sandpaper'. The face can be flushed red but pale around the mouth.

If you think you, or your child, have scarlet fever or Strep A:

see your GP or contact NHS 111 as soon as possible

make sure that you/your child takes the full course of any antibiotics prescribed by the doctor

stay at home, away from nursery, school or work for at least 24 hours after starting the antibiotic treatment, to avoid spreading the infection.

WEAR RED DAY

Next Friday, the School is taking part in Cornwall Air Ambulance Wear Red Day to raise awareness of the great work of Cornwall Air Ambulance and how the charity has impacted so many lives in communities across the county. They need to raise over £6 million every year to keep running and they receive no direct government funding. They are asking that staff and students donate £1 to dress up in their favourite piece of red clothing. So, for us, that's really easy - just wear school uniform! However, if you would like to wear an alternative red item you can.

Please give generously - Mr Coleman will be collecting at the gate.
