HAPPY BIRTHDAY!

Birthday wishes for this week
and over the Christmas holi-
days go to:

Rocco C and Leo

Happy New Year to all of you. The start of term has been very busy and already Christmas is a distant memory. Thankfully the newsletter is quite short this week after the lengthy ones we have been sending out. Nonetheless, it still contains important information so please read carefully.

Thank you to the Star Inn

Just before Christmas, the Star Inn hosted the annual OAP Christmas lunch. Our Year 4 pupils paid them a visit and entertained them with some lovely singing. After we left, there was a collection amongst those at the lunch and the Star Inn have kindly donated the funds raised to the School. We received a lovely Christmas gift of £150. Our thanks, once again, to Mick and all the staff for their support.

Parking

You may have noticed that we have placed 'No Parking' cones outside the school, either side of the new crossing area. This is to help alleviate congestion issues that arise when anyone parks in these areas, which could also affect safety if access is restricted. Our neighbours on school lane are also unable to get in and out of their houses at times, as driveways are blocked.

Please can we ask that you park a little further down the road and also that if you need to turn you use either the Boscarnek entrance or the School driveway. Thank you for your understanding.

Lateness

The start of this term has not been a good one in regards to late arrivals. We appreciate that it is hard to return to school after a long holiday, especially on darker mornings. However, School starts promptly at 8.50 am (the gates open at 8.40) and anyone arriving after this time is marked as late. Arriving late not only has an adverse impact on a child's learning but is also disruptive to the rest of the class. In addition, all minutes lost through arriving late are recorded against the pupil's name and this information is shared with the Education and Welfare Officer on a termly basis.

Parenting Offer

The Parenting team at Cornwall Council have produced their Spring newsletter with details of support programmes they are offering this term. This is attached alongside the newsletter on the website.

Clubs

All children who have returned Club slips have got places in the clubs they have requested. There are now only a few spaces left in Craft, Lego and Football. Yoga is full.

Online Safety

The January issue of the Online Safety newsletter is attached alongside the newsletter on the website

Minack Theatre - Each child in Godrevy and Fistral classes has been given a flyer about free workshops at the Minack.
