Open Classrooms

Mousehole, Fistral and Godrevy will be having open classrooms on Wednesday 11th September between 3.30 and 4pm. This will give you a chance to come in and see your child's environment and meet their teacher. This isn't a replacement for parents meetings which will happen later on in the year. If you have a particular issue that you would like to discuss with your child's teacher at any time please call the office to make an appointment. We look forward to seeing you all there.

Keep an eye out for more information on what your child will be learning this year coming soon via email and Seesaw.

Phonics Meeting

For all parents of children in Treen class we will be holding a phonics meeting on Wednesday 11th September at 2.15pm. It is very important that all parents attend this session as it will give you vital tools to support your children with their reading. If you are unable to attend this session please let us know as soon as possible. Thanks.

Amazing Achievement

Over the summer holidays Mhyla and Maggie attended the National Surf Life Saving Championships, competing as part of a team against over 700 children in all. Both came in the top 12 for nearly all of their races, qualifying to score points for their team, Hayle, who came in 2nd nationally overall! Personal achievements included Maggie managing a 7th in the country in her least favourite event, and Mhyla coming away with a bronze national medal for her board rescue. They both showed huge determination and practiced at every opportunity with Maggie overcoming her fear of competing to come in the top 12 for all her races!

Congratulations to you both!

Parent Pay

Please ensure that you keep your parent pay accounts paid up—you can put money on in advance to keep them in credit or check them weekly to keep on top of payments—Thanks in advance for your help with this. If anyone is having any problems please let us know in the office.
