

# The Doodle Summer Challenge

## 1st of July – 31st of August

### Earn a pin badge and certificate!

Between the 1st of July – 31st of August, Doodle are running two exciting jungle-themed Summer Challenges — the DoodleMaths Challenge and DoodleEnglish Challenge!

Both Challenges are designed to encourage a few minutes of daily Doodling, topping up your child's knowledge over the holiday and placing them in great stead for the new school year.

Plus, they can **earn exclusive rewards** by taking part!

### How to take part

#### 1 Create and/or link your account

If you haven't already, create and/or link a parent account to your child's school account. To find out how, see the reverse of this flyer or visit [help.doodlelearning.com](https://help.doodlelearning.com) and search 'how to link account'.

#### 2 Register for the Challenge

From the 1st of July, visit [parents.doodlelearning.com](https://parents.doodlelearning.com) and press **Register for the Challenge** next to your child's name for one or both Challenges.\* **The last day to register for and begin the Challenge is the 18th of August.**

#### 3 Doodle 'little and often'

Once you've registered, encourage your child to **use DoodleMaths and/or DoodleEnglish for 14 days in a row and earn 750 stars (or 600 if they were born on or after 01/09/15) before the 31st of August.**

#### 4 Claim your pin badge and certificate!

Once they've reached their target, claim their rewards by visiting [parents.doodlelearning.com](https://parents.doodlelearning.com) and press **Claim reward**. **The last chance to do this is August 31st at midnight.** Their rewards will be sent to their school once the Challenge has come to an end.

## How to create and/or link a parent account to your child's school account

Creating a parent account is really important (and really easy!) to do. By doing so, you'll be able to enter the Summer Challenge, claim your child's rewards and track their progress via the free DoodleConnect app or Doodle's online parent hub, the Parent Dashboard ([parents.doodlelearning.com](https://parents.doodlelearning.com)).

## How to create and/or link a parent account via the Doodle apps

- 1 Log in to any of the Doodle apps using the username and password provided by your child's school. **If you're not sure what these are, please contact your child's school rather than creating a new account for them.**
- 2 From the Learning Zone, click on the arrow in the top left-hand corner of the screen
- 3 Select **Settings** and press **Parent details**
- 4 If you're new to Doodle, select **Create parent account**. If you already have a Doodle account, click on **Link existing account**.
- 5 Enter your details to link your email address to your child's account

### Good luck, and happy Doodling!

\*The Challenge available will depend on your school's Doodle subscription. If you'd like to join both Challenges but your school does not subscribe to DoodleMaths or DoodleEnglish, a home subscription can be taken out in the subject you're not subscribed to.
