HAPPY BIRTHDAY!

Birthday wishes this week go to:

Connor, Rebecca, Aaris, Luna and Zennor

Welcome back to the start of another school year. We hope you all had a relaxing and enjoyable summer break. Typically, the true summer weather has saved itself for September. It has been very hot over the these first few days of term so please make sure that, if this continues, children have sun cream applied and bring plenty to drink.

This will be a busy term but we are looking forward to all the exciting things that will be happening.

This week's newsletter

We are sending the newsletter home in paper form this week as well as via email, on the website and via SeeSaw. However, we will only use electronic means from next week, as per usual. Please let me know on Monday if you haven't received the email and the SeeSaw notification so we can get this sorted before next Friday. This is particularly important if you have recently changed your email address.

School Meals - We notified you last term about a price increase for school meals. We have now been informed that this takes effect from the start of this term. All school meals cost £2.65. Apologies for the short notice.

The current menu continues until half term.

Welcome

We are delighted to welcome a new staff member. Mrs Nancy Barrows will be working in the office on Fridays.

CLUBS

Children in years 1-6 are bringing home a letter today about clubs which start next week. Please make sure that you see this and, if your child wishes to join any of the clubs, please send the reply slip back on Monday morning.

CLASS LETTERS

Teachers will be sending home (either today or early next week) further information regarding your child's class and also this term's class learning/medium term planning.

If you don't receive this please let us know.

ANNUAL FORMS

We are sending home several forms today for you to complete and return:
