HAPPY BIRTHDAY!

Birthday wishes this week go to:
Arabella
We hope you had an amazing day!

Assemblies This week we focussed on the upcoming Olympics for assembly. We watched a video showing the incredible resilience of athletes, such as GB Paralympian Stef Reid. We discussed how everyone needs to fail to then succeed, it helps us to improve and builds determination. The video watched is here <https://www.youtube.com/watch?v=3vwSr8Lz9Nc>

TPAT Music Showcase

On Tuesday evening, the choir performed at the Hall for Cornwall, joining other TPAT Schools for a musical showcase. Our choir were very professional, taking part in a technical rehearsal and listening so carefully to the information given so that they were ready to perform. We got to enjoy the first act in the audience before going backstage to our dressing room. We were all feeling rather nervous! The Choir performed with passion and precision - they were incredible! Many music teachers and members of the audience came up to us after, praising them and their performance. I am so unbelievably proud of each member of the choir - their bravery and skill is commendable! Well done everyone!

PRIMARY SHOWJUMPING

Emily, Martha and Nancy attended the Cornwall Schools Primary Showjumping competition at Pen-darves Equestrian Centre in Camborne on Thursday. Nancy came 2nd in the 40cm class which is an amazing achievement. Their team, 'The Erthlings', came 7th in the showjumping and 6th in the presentation of their ponies Flo, Poppy and Milton, scoring an impressive score of 29/30! Well done everyone!

Clubs

Next week will be the last week for all school clubs that haven't already finished.

Mayors Tournament!

Last Friday the school football team took part in the annual Mayors tournament at Hayle Fc. They played 4 other local schools winning 2 drawing 1 and losing 1. They performed brilliantly and were very unlucky not to have won the whole tournament. Highlights were beating Connor Downs, a far bigger school than us, and drawing with Penpol, the 1st time Penpol have failed to win a game in the tournament for 3 years! Many spectators said they played the best football of the day. Well done team!

Attendance

Please see below the very important information on penalty notices for absence, issued by the DFE. These will be in force from September 2024. The criteria has been narrowed and fines must now be considered statutorily in numerous circumstances. Please take the time to read the information and consider its impact upon your child's attendance. Term time holidays of 5 days or more will result in notice to improve letters. Please note that where children are reported ill to school and school have reason to believe that the absence was in fact a holiday, this can result in the issuing of a notice to improve letter before a fine being issued. Attached to the newsletter is further information. The school will update its policy and procedure to be in line with these regulations from September 2024. The changes are:

1. There will be a new national threshold of 10 unauthorised sessions for any reason (equivalent to 5 school days) within a rolling 10 school week period for when a penalty notice must be considered.
2. The new rules mean you will no longer be able to take your child out of school for one week's holiday without the consideration of a penalty notice being issued.
3. There will be an increase in the penalty fine from £60 to £80 if paid in 21 days. If the fine is not paid by the first 21 days, it will rise to £160 if paid within 28 days of being issued.
4. If a second penalty fine is issued to the same parent for the same child within a 3-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.
5. If a parent then commits a third offence in a 3-year rolling period, the local authority will need to consider other enforcement options available to them. This could include prosecution.

NEW CATERING PROVIDER

From September we will have our school meals provided by a different company. Don't worry, Ria will still be here to cook the meals. The new menu will be posted on the website before the end of term and prices will remain the same.

In the meantime, if your child has any allergies, lifestyle or medical diet requirements you will need to complete an alternative menu request form. Please contact us early next week to ask for a form and sight of the menu.
