Parent survey results 2025

Thank you to everyone who returned a survey this year. We had a very healthy number of forms returned which gives us a really good sample to analyse and see where we can make improvements to our service and importantly to recognise where we are doing things well! We are delighted to see that 100% of pupils with a survey returned enjoy coming to school and to see agreement above 90% in many areas. A common theme in feedback is that parents would like to see more extra-curricular activities on offer. This and other issues raised are addressed below. The children will be doing their own survey, some have already, and this is another important piece of feedback to help us to continually improve. Thank you as always for your fantastic support. It is greatly appreciated by all staff.

	Positive comments	St Erth is a wonderful school thank you for all your hard work and care. Have only got good things to say about St Erth School, our children are very happy here. St Erth School has always given my children a real advantage going into secondary school.....rules are fair, and all children seem to receive equity. We love this school. You are all fabulous! Thanks to the staff that have gone the extra mile while year 6 children completed SATS. Both our girls love coming to school. You should celebrate your teaching practices as they allow our children to thrive. ***** absolutely loves coming to school and really likes all of her teachers, which is lovely for a parent. A wonderful school with wonderful staff. Thank you for all you do!				
Issues Raised						
	More clubs available, in particular for KS1.	We work hard to extend as much opportunity as possible. We have had to contract our offer this year slightly. This is due to cuts in budgets and staff availability. Teachers do clubs voluntarily and this affects capacity. This feedback has been useful and will be part of development panning into 25/26.
