

Erika Bloxam Pen Portrait

Before starting my career in education I was a freelance artist selling my paintings through a local gallery in St Ives.

I started my educational career in the Early Years sector and have a Foundation Degree in Early Years. I then moved on to working with Children in KS1. After qualifying as a Teacher, I taught years 3 and 4 for a number of years before moving to work with Year 1 and 2.

Since working for St Erth School I have lead us through the Inclusive, Dyslexia, Friendly Schools (IDFS) quality mark and have completed an NPQ in Senior Leadership.

I am currently teaching year 2 and am the maths lead for the school.
