Assemblies this week

This week in assemblies we have discussed our school value of knowledge and the British Value of tolerance and respect. The children took a long awaited geography quiz on Europe's countries and capitals with book vouchers on offer for the winners in each class. We also discussed the Easter Story and why this is a time of celebration for Christians.

Tolerance & Respect

SCHOOL CAMP

Pupils in Godrevy class have been away at camp since Wednesday. There will be a full report on our website soon.

Geography Quiz

On Tuesday, we held our first termly Geography Quiz. The questions were all about the countries of Europe and their capital cities. The prize in each class was a £5 Amazon book voucher and the winners were:

Godrevy - Orla

Fistral - Nina

Mousehole - Benji

Treen - A collective win for the whole class

Well done to all the winners.

Next term's focus is on Africa - its countries and capitals - start revising!

THE LONDON MARATHON

On 23rd April Mrs Burton is running in the London Marathon. She is fundraising for the charity Action on Pre-eclampsia (APEC) which is a charity close to her heart. She has never run a marathon before and this has been a big challenge for her. You can read the story behind why she is taking on this challenge and also donate to support her on her Just Giving page – link below. With race day fast approaching every penny of support is gratefully received!

Thank you to everyone who either donated eggs or sent their children in with money for raffle tickets. Thanks also to the local businesses who also generously gave us further eggs which ensured that no child went home without an egg. We raised an eggcellent £140.

Reception Swimming

Don't forget that swimming starts for Treen class immediately after Easter on Tuesday, 18 April. If you haven't sent back your child's permission slip please make sure it comes back after the holiday.

Doodle Maths Spring Challenge - We hope all our children will want to take part in this event. They all have Doodle Maths logs and the flyer on the website (alongside this week's newsletter) has full details for parents.
